

## WHAT TO PRAY FOR

Our goal is that citizens in every country around the world would pray for the healing of people suffering from cancer. Why do we want to do this? The need is great. More than 10 million people will die in the year 2005 from cancer. For statistics, please click [www.cancer.org](http://www.cancer.org) or [www.who.org](http://www.who.org).

We believe that God answers prayers and that when people are sick, we should pray for their healing. James chapter 5 verses 13-16, Isaiah Chapter 53 verses 4-5 and 2nd Chronicles chapter 7 verse 14.
